todylaboratories®
Responsible diagnostic. Since 1993.

25 years of experience in laboratory diagnostic

Currently running a diagnostic laboratory that produces and delivers different services under ISO 17043 & ISO 15189 accreditations:

- **External Quality Assessment Schemes (EQAS)** - over 70 schemes for: Clinical Chemistry, Coagulation, Haematology, Hepatitis, Hormones, Infectious Diseases, Tumour Markers, Microbiology, Parasitology, Serology, ESR, and others.
- **Reference Strains** intended for internal quality control in microbiology laboratories and other Internal Controls for biochemistry, coagulation, hematology, immunology, and urine.
- **Laboratory Analysis:** over 2,000 - for Allergies, Pathological Anatomy, Autoimmunity, Clinical Chemistry, Coagulation, Pregnancy Screening, Genetic Molecular Biology, Haematology, Hepatitis, HIV, Miscellaneous Hormones, Fertility Hormones, Thyroid Hormones, Immunoglobulins, Immunohaematology, Infectious Diseases, Tumour Markers, Neonatal Screening, Parasitology, Toxicology, Vitamins, and others.

Having selected partners from all over the world that produce different reagents under todylaboratories® brand & ISO 13485 accreditation:

- **Reagents** - over 3,000 laboratory medical devices for: Clinical Chemistry, Coagulation, ELISA, Radial Immunodiffusion, LATEX, Microbiology, Blood Grouping, Rapid Tests, Stains & Dyes, Susceptibility Discs, and Urine Strips & Readers.
- **Disposables** - over 180 laboratory consumables: Vacuum Tubes, Needles, Containers, Swabs, Test Tubes, Loops, Tips, Pipettes, Microscope Slides & Coverglasses and others.

1993

started operations as routine distributor in the laboratory diagnostic field

2003

started performing medical analysis in our open services laboratory, in which we collect and test the samples of other laboratories, holding the ISO 17025 and ISO 15189 accreditations

2007

launch of our online e-shop www.todylaboratories.com, ultraspecialized in the laboratory diagnostic domain

2012

started manufacturing laboratory services (EQAS) under the status of EQAS administrator, notified in the European Union, and holding the ISO 9001 certification and the ISO 17043 accreditation

2016

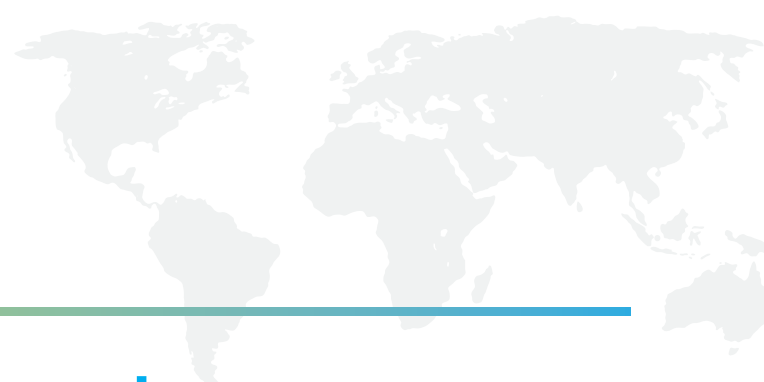

extending our portfolio of supplied products and services with reagents and consumables, reference strains, EQAS, internal control, medical analysis and holding the ISO 13485 certification
